\$100 CASH BACK FOR YOUR TRADE-IN

Purchase a new Navionics chart today and we'll send you a check for up to \$100* for your old chart!

Here's How:

1. Purchase any new Navionics Chart from an Authorized Navionics Dealer at MSRP
2. Request a Trade-in mailer from place of purchase. (If no mailers are available from place of purchase, or you choose to use your own packaging or envelope, we recommend sending in a well-padded envelope and in a trackable manner to ensure returned chart is delivered undamaged. Please complete, sign, and include the refund form below.) Complete 'Customer Information' and 'Chart Information' areas below. Without proper and complete information on your new Navionics chart, as well as your old chart for Trade-in, we will not be able to process this request.
3. Mail the following items to Navionics within 30 days of new chart purchase.
 - Applications received after 60 days from date of purchase will not be honored unless duly date stamped.
 - ⇒ Your **old** Navionics chart for trade-in (If you purchased a chartplotter with embedded Navionics Charts, a photocopy of the original receipt for chartplotter purchase will be accepted instead of a physical chip.)
 - ⇒ Your **original dated itemized sales receipt** from your **new** chart purchase.
 - ⇒ The **UPC label** (bar code) from your **new** chart packaging.
 - ⇒ And this completed form to: **Navionics Trade-in Program, 6 Thatcher Lane, Wareham, MA 02571-1076**

*Certain entry-level products not subject to refund program. Some restrictions may apply. To ensure proper processing of your refund, please be sure the information you provide is complete and accurate. \$100 refund applies to purchase of a new Navionics chart product at \$299 MSRP or greater. \$75 refund applies to purchase of a new Navionics chart product at \$199 MSRP. \$50 refund applies to purchase of a new Navionics chart product at \$149 MSRP. \$25 refund applies to purchase of a new Navionics chart product at \$99-\$129 MSRP. New Navionics Charts must be purchased from an authorized Navionics dealer at MSRP. Old Navionics chart returned for trade-in must be in good working condition (i.e. no physical damage, no addition or deletion of data to/from card, no writing on the media, Navionics label must be intact). Competitor charts are not eligible for this Trade-in program. Employees of authorized dealer are not eligible. Trade-in program can not be combined with any other Navionics offer, rebate or promotion. DATED ITEMIZED SALES RECEIPT and UPC LABEL (bar code) from the new product packaging must be enclosed in this envelope along with old Navionics chart for trade-in. Photocopies, computer printouts or handwritten receipts will not be accepted unless bearing the original signature of the dealer's representative. If you purchased a chartplotter with embedded Navionics Charts, a photocopy of the original receipt for chartplotter purchase will be accepted instead of a physical chip. Navionics is not responsible for incomplete or lost forms and will not provide notification for refused refund requests. Fraudulent forms will be refused without notification and reported. Refund is issued in US dollars. Please allow 6-8 weeks from receipt of your trade-in for the processing of your refund. No applications received after 60 days from date of purchase will be honored unless duly date stamped. Earlier versions of this promotion are null and void. Trade-in requests received in previous Trade-in envelopes are subject to the guidelines stated herein. The Navionics Trade-in Program is subject to change without notice.
